

## CCB Salmon seminar 15-16 Oct in Riga/Salacgriva, Latvia

CCB will hold a seminar in Riga/Salacgriva 15-16 Oct to discuss the new EC salmon management plan and national salmon management and actions needed in those two areas.

The programme is not fully ready yet but please see the preliminary practical programme below. More info will be posted soon.

Number of participants will be limited, therefore please send in your registration form before the final date stated in the form. Travel reimbursements must be applied for and confirmed by the secretariat. Those of you that need Visas please contact the secretariat at [secretariat@ccb.se](mailto:secretariat@ccb.se) or [ccbfish@care2.com](mailto:ccbfish@care2.com) asap.
