DRAFT PROGRAMME

09.00-11.30 Session 1. Baltic Water Status – Eutrophication and Agriculture: serious eco-system impact and actions needed

Welcome and opening of session by Lars Tysklind, MP, Chair of GLOBE Sweden

09.00-09.30 Baltic Sea Eutrophication – Trends and Pollution Load

Prof. Christoph Humborg, Baltic NEST Institute/Stockholm University

09.30 - 10.00 HELCOM Baltic Sea Action Plan (BSAP): How is the nutrient reduction requirements implemented at national level? Main Challenges

Ida Reuterswärd, Swedish Ministry of Environment

10.00 – 11.30 Panel discussion moderated by Anders Alm, NEFCO Baltic Sea Action Plan Fund (BSAP Fund)

- *German experiences to control agriculture nutrient run-off to surface waters and recommendations for the CAP reform: Dietrich Schulz, Umweltbundesamt*
- *CAP Reform – components necessary to contribute to the solution of the Baltic Sea eutrophication problem: Maria Staniszewska, Polish Ecological Club (PKE)*
- *Ecological Recycling Agriculture (ERA) - a farming concept that substantially can decrease nutrient load from agriculture sector: Artur Granstedt, BERAS InterReg Baltic Region project.*
- *Views on CAP reform and agricultural nutrient run-off: Janusz Wojciechowski MEP (Poland)*
- *Political support for full implementation of BSAP & What is sustainable agriculture in the Baltic catchment?: Gunnar Norén, CCB*

12.00-15.00 Session 2. The Baltic Sea - a Model for EU Marine Environment and Fisheries Management

12.00 - 12.15 Opening Statement by Lars Tysklind MP, Chair of GLOBE Sweden

Moderator: Axel Wenblad, former director of Swedish Board for Fisheries

12.15-13.20 Ecosystem-based management in the Baltic Sea – getting the targets right (30' presentation + 15' questions and discussion)

Speaker: Dr Rainer Froese, Senior Scientist, Helmholtz-Centre for Ocean Research (GEOMAR), project leader and coordinator of FishBase, Pew Fellow in Marine Conservation

Marine Protection – what and how much do we need? (15' presentation + 5' questions)

Speaker: Hanna Paulomäki, Baltic Sea Project Manager ,Oceana

13.20–13.30 Coffee Break

13.30-15.00 Panel discussion: Fisheries Management in the Baltic region and EU Common Fisheries Policy Reform (60' statements + 30' discussion)

1. Mr Franz Lamplmair, Fisheries Policy Adviser – Directorate A: Policy development and co-ordination, DG MARE, European Commission
2. Isabella Lövin MEP, European Parliament
3. Dr Rainer Froese, Helmholtz-Centre for Ocean Research (GEOMAR)
4. Lars Tysklind MP, Chair of GLOBE Sweden
5. Marcin Rucinski, Fisheries Attaché, Polish Permanent Representation to the EU
6. Niki Sporrang, Fisheries Secretariat
7. Hanna Paulomäki, Oceana

PARTICIPANTS LIST

| | | | | |
|----|-----------|---------------|--|-----|
| 1 | Anders | Alm | NEFCO Baltic Sea Action Plan Fund (BSAP Fund) | |
| 2 | Gustaf | Almqvist | FISH | SWE |
| 3 | Fredrik | Arrhenius | Ministry of Rural Affairs | SWE |
| 4 | Annelie | Brand | FISH | SWE |
| 5 | Ellen | Bruno | Swedish Society for Nature Conservation | SWE |
| 6 | Jenny | Fors | WWF | SWE |
| 7 | Rainer | Froese | Helmholtz-Centre for Ocean Research (GEOMAR) | DE |
| 8 | Harriett | Gillett | Arcadia Fund | |
| 9 | Artur | Granstedt | BERAS InterReg Baltic Region project | SWE |
| 10 | Jacob | Hagberg | Baltic2020 | |
| 11 | Anuschka | Heeb | HELCOM | |
| 12 | Christoph | Humborg | Baltic NEST Institute/Stockholm University | SWE |
| 13 | Nils | Höglund | CCB | SWE |
